

DRESS CODE

The Jim Ned C.I.S.D. dress code is established to teach grooming and hygiene, instill discipline, prevent disruption, avoid safety hazards, and teach respect for authority. Students should be dressed and groomed in a manner that is clean and neat and that will not be a health or safety hazard to themselves or others. The District prohibits any clothing or grooming that in the principal's judgment may reasonably be expected to cause disruption of or interference with normal school operations. The District prohibits pictures, emblems, or writings that are lewd, offensive, vulgar, or obscene, or that advertises or depict tobacco products, alcoholic beverages, drugs, or any other substance prohibited under policy FNCF(L). The student and parent may determine the student's personal dress and grooming standards, provided they comply with these general guidelines and the District's dress code for students in the student handbook.

If the principal determines that a student's grooming violated the dress code, the student shall be given an opportunity to correct the problem at school. If not corrected, the student shall be assigned to in-school suspension for the remainder of the day or until remedied. Repeated offenses may result in more serious disciplinary action. Appropriate disciplinary procedures shall be followed in all cases. Students attending scheduled trips are expected to comply with current dress code regulations. The principal, in cooperation with the sponsor, coach, or other person in charge of an extracurricular activity, may regulate the dress and grooming of students who participate in the activity. Students who violate these standards may be removed or excluded from the activity for a period determined by the principal or sponsor and may be subject to other disciplinary action.
