Jim Ned CISD Employees:

Annual Enrollment for the TRS ActiveCare program began Saturday, July 1, 2017 and will run through 11:59 PM on August 22, 2017. This is your opportunity to update your information, add or drop a dependent from your coverage, or change your Plan. Information about the Plans is included in the Enrollment Guide, which is available on the TRS web site (www.trs.state.tx.us) in the Active Members section, and the Aetna website (www.trsactivecareatna.com).

Plan highlights and summary of benefits are also available on the Jim Ned website (<http://jimned.region14.net/default.aspx?HunterCooley,ChiefFinancialOfficer/HealthInsurance>).

You should re-view the information carefully and select the plan and coverage that best meets your needs. You may want to access Aetna's DocFind to review the hospitals, physicians and other providers contracted for each of the TRS-ActiveCare Plans.

Beginning September 1, 2017 your payroll contributions for the various options are as follows:

Actual Monthly Cost 2017-18 Plan Year	ActiveCare 1	ActiveCare Select	ActiveCare 2	FirstCare
