Christi Doty recaps the 2023-2024 SHAC annual report, written by Shaun Galovich to Dr. Teal.

Wellness Policy was reviewed for 2023-2024 year. SHAC will review every year moving forward. SHAC meetings will decrease from 4 meetings per year to 3 meetings per year in 2024-2025, then 2 meetings per year in 2025-2026 and thereafter.

Focus strategy:

Per committee recommendation, Christi Doty met with Kendra Tapie, Regional Director of Prevention at Serenity House, and Heather Helm, Program Director of the Abilene campus, regarding utilizing their Impact Youth Prevention Program to satisfy the requirements of "Tucker's Law" in our district. With the support of several administrators, we adopted the 10 week program, which will occur during World Geography and World History classes, with plans to start Thursday, September 12<sup>th</sup> with all 7<sup>th</sup>-10<sup>th</sup> grade students. In the spring, 6<sup>th</sup> grade students will also receive prevention training with less heavy-hitting content and an emphasis on positive actions. Though not a guarantee, administration is considering administering to juniors and seniors during English classes spring semester. Christi will ask for feedback from teachers in the classes where program is administered.

Abilene Recovery Council - On Demand Video Status Update:

Abilene Recovery Council got approval to do the video and will let us know when it's complete so we can use it.

Next meeting date: Tuesday Dec. 3<sup>rd</sup> at 5:45 p.m.

Meeting adjourned by Shaun Galovich at 6:43 p.m. Seconded by Hayley Webb.
